

BOCCHI Model: 103.599 – 103.602

Composition of parallel gauge blocks in top-quality non-deformable steel. Supplied in case, serial number on each block. Manufactured as per DIN 861. Three different grades are available:

Gr. 0: suitable for metrology rooms and as references for checking other blocks.

Gr. 1: suitable for checking and calibrating measuring instruments.

Gr. 2: suitable for checking production and setting measuring instruments.

Blocks of different dimensions and at any quality are available upon requirement.

SIT CALIBRATION CERTIFICATE AVAILABLE UPON REQUEST.
